4. For purposes of furnishing information pursuant to paragraph (a) of this Item, the registrant may indicate the source and date of such information.

5. Where more than one beneficial owner is known to be listed for the same securities, appropriate disclosure should be made to avoid confusion. For purposes of paragraph (b), in computing the aggregate number of shares owned by directors and officers of the registrant as a group, the same shares shall not be counted more than once.

6. Paragraph (c) of this Item does not require a description of ordinary default provisions contained in the charter, trust indentures or other governing instruments relating to securities of the registrant.

7. Where the holder(s) of voting securities reported pursuant to paragraph (a) hold more than five percent of any class of voting securities of the registrant pursuant to any voting trust or similar agreement, state the title of such securities, the amount held or to be held pursuant to the trust or agreement (if not clear from the table) and the duration of the agreement. Give the names and addresses of the voting trustees and outline briefly their voting rights and other powers under the trust or agreement.
